## SCARECROW SONG

When all the crows were sleeping and the sun had gone to bed,

Up jumped the scarecrow and this is what he said:-

“I’m a dingle dangle scarecrow with a flippy floppy hat,

I can shake my hands like this, I can shake my legs like that”.

When all the hens were roosting, and the moon behind a cloud,

Up jumped the scarecrow and shouted very loud:-

“I’m a dingle dangle scarecrow with a flippy floppy hat,

I can shake my hands like this, I can shake my legs like that”.

When all the children have coloured me in and taken me for viewing,

Up I’ll jump with the greatest joy and this is what I’ll sing:-

“I’m a dingle dangle scarecrow with a flippy floppy hat,

I can shake my hands like this, I can shake my legs like that”.
